- The Pickering swim club is a non-profit organization that relies on our local business community for support and to assist us to provide a fun, exciting and rewarding swimming experience to various age groups in Pickering and surrounding areas.

Why support our Club?

We value our sponsors, and recognize their support to our swimmers across various marketing initiatives that ranges from print, digital, and traditional media. We welcome the opportunity for you to support our future swimmers.

- Pickering Swim Club uses two pools, at the Pickering Recreational Complex and the other at Dunbarton High School. One of our largest challenge and expenses is our pool time. As a result, we are considering ways to reduce our cost. We run 5 – 6 meets a year from the Pickering Recreational Complex. These meets are attended by Local, Regional, Provincial, and International swim club members and their families. This provides a huge advertising and marketing exposure to your business.

Your organization can utilize this exposure by placing advertisement in our:

- Meet packages
- On our web site
- In addition, we will ensure proper recognition for your partnership if your organization provides:

Donation – a cash donation;

Gift/Prizes – Promotional items;

Sponsorship – sponsorship of our raffle
